

SIGNATURE FUNDRAISING®

The mark of excellence and integrity in fundraising®

Long story, but our company on the whole became huge fans of Billy Joel this past year (we played Billy Joel music in our warehouse constantly!). So, for our company Christmas party we surprised our employees by flying Michael John here to Los Angeles. He did not disappoint! He not only put on a great Billy Joel tribute show, but he was also just a great entertainer in his own right. He fit right in with our group and was everything we'd hoped he'd be and more. He did a great job!

Thanks,

Brad Silverman
