

## ***Billy Joel and Elton John: The Ultimate Tribute*** ***By Michael John and Joey Riedel***

Elton John and Billy Joel tribute artists Joey Riedel and Michael John have joined forces to create The Ultimate Tribute Show based on the Face to Face Show performed by Elton John and Billy Joel. The two capture both the original artists in their new, high energy, interactive Rock N Roll show.

Initial concert events have been highly successful with all involved raving about the show and Joey and Michael's intensity on stage.

Just like the original tour, each artist performs a solo set with a killer five to six piece Rock N Roll band, and then culminate the show with a Face to Face set which features both of them playing together on two pianos trading off lyrics on each song they perform.

Joey, visually and through his performance, captures Elton John in the 70's and current day. He is known for his captivating entertainment prowess and his unbelievable recreation of Elton's outrageous costumes.

Joey and Michael bring this experience to The Ultimate Tribute show adding funny performance bits, sing-a-long parts, and spontaneous humor. The Billy Joel Elton John Ultimate Tribute show is a night of hit songs, energetic performances, outrageous costumes, and true Rock N Roll at its finest!
